

STRUCTURES:

Henkel **LOCTITE**

- Metal, composite, honeycomb bonding and repair
- Composite surface preparation,
- Surfacing and lightning strike
- Core fill, abradable, liquid shim
- Potting, wet lay - up resins
- Fire retardants

Henkel **BONDERITE**

- Pretreatment and corrosion protection solutions
- Cleaners / De-greasers
- No-rinse Conversion Coatings
- De-paint/Re-paint
- Tri-chrome & Hex-chrome

Henkel **FREKOTE**

- Semi-permanent release coatings for composites and metal tool surfaces
- New water based and low VOC release coating
- Non-migratory release system

PPG Aerospace PRC-DeSoto

- Coatings; Primers & Topcoats
- Sealants

**Other than 3M Sealants, International only*

- Tapes
- Paste adhesives
- Film adhesives
- Sealants

DE-COMP COMPOSITES

- Vacuum bag films
- Release films
- Sealant tapes
- Autoclave valves and hoses
- Castable urethane elastomer
- Tooling resins

socomore

- Solvents, degreasers and cleaners
- Non chromate conversion coating
- Pre-saturated solvent wipes
- Water-based lubricants
- Erosion Resistant Coatings

Also proud suppliers of:

INTERIORS:

- Interior decorative panels
- Insulation barriers
- Moisture barriers
- Cargo bin liners
- Aircraft wire markers
- Composite noise panels

- Core materials
- Core infusion
- Kits

L&L Products

- Broad range of approved interior aircraft solutions
- FST adhesives, potting compounds and core splice
- Panel reinforcement
- Core splice adhesives
- Integrated noise damping
- Flexible sound barrier

Film and Sheet

- High impact resistant sheet and film

High Strength, Light Weight Solutions

- Rigid foams
- Flexible sheet stock
- Flexible custom parts

American Fiber
& Finishing, Inc.

- Aerospace qualified critical wiping materials
- Cheesecloth
- Tack rags
