FEATURED PRODUCT

David H. Sutherland & Co., Inc. is an expert in Henkel films with the largest inventory available.

250°F Curing Film Adhesive Loctite EA 9696

[Download the datasheet »](#)

Benefits:

- Greater durability over the life of the production article lowers repair costs
- Widens design abilities
- Enables use of one adhesive for applications requiring toughness and 250° F performance
- Lowers clean-up costs
- Enables use of one adhesive for both honeycomb and metal to metal application
- Lowers handling and storage costs
- Ability to be used on sound suppression assemblies.
